Gymnastics at Graves for Y2

Yesterday Year 2 were fortunate enough to attend a gymnastics event at Graves Sports Centre. There was a range of different activities to try. We were able to swing on the parallel bars then land on a big cushion, and walk along a beam.

Leo T. said "I enjoyed the sponge pool where we jumped in and had to scramble out. I nearly lost my socks!"

Martha said "I enjoyed bouncing on the trampoline because we got to do seat jumps and I was good at them."

Lily liked doing a 'broken candle' pose putting her legs on the floor behind her head.

We are thankful to Mrs. Naylor for letting us go because it was challenging and fun.

Parent's Evening Wednesday 26th January 2022 4pm-7pm

Hopefully you are aware of the forthcoming parent's evening which will take place via School Cloud as previously. Information was sent out via Parent Hub earlier this week so please have a look at that if you need a reminder of the process or if you are new to School Cloud.

ELSA Support Appointments on School Cloud

If you feel you would like to talk to someone about your child's emotional wellbeing Mrs Evans is available during the parent's consultation session. Mrs Evans is the school Emotional Literacy Support Assistant. She supports children, whose parents or teachers feel they need extra emotional support. I felt it would benefit parents to have access to this help to talk about issues or concerns you are having about your child's well-being (either mentally, physically or emotionally). Please book a consultation slot as you would for your child's class teacher if you would like to.

Covid 19 News

The rules on testing and isolation seem to be changing regularly at the moment so it's hard for us to give definite guidance. The key things for school are that if your child seems unwell, keep them off school and use a lateral flow test. If the test comes back positive, isolate according to the current government guidelines and inform school.

If you are not sure what to do, please ring the school and we will talk you through the current guidance.

We are working hard in school to create a safe environment for the children and staff so we appreciate your support in trying to reduce the spread of the virus.

What to do if your child is off after testing positive for Covid 19 and is well enough to do school work.

On each class remote learning page, there is a list of daily activities for children to complete on their remote learning page of the school website. These include online platforms the children are using regularly in school eg Bug Club for Key Stage 1 reading, Times Table Rockstars for key Stage 2 maths. Pupils should complete as many of the activities as possible each day. They can let their teacher know which activities they have completed through using Seesaw.

If the class teacher is setting more work then they will indicate this by asking you to log onto Seesaw where the work will have been allocated. If you need any help with this, please email the class teacher (all addresses are on the main class page)

Parent Helps needed please.

This half term many classes are learning about food in Design Technology. As they will be preparing food, the children would benefit from extra support in these lessons. If you have a DBS and would like to volunteer please let the class teacher or myself know. Thank you in advance for all support given.

Attendance

This week's top attendance...

	<u>Cave Kids</u> Reception	99.6%	
	<u>The Romans</u> Year 2	97.4%	
	<u>Team Tudor</u> Year 4	95.7%	

School **94.6%** = 1.5% **below** our target (96.1%)

Your Advert Here!

To Advertise on this Page...

Do you own your own business? Do you know someone who owns their own business? Then do not delay let them know about a fantastic advertising opportunity that will not only help them but support our school too!

We are looking for local businesses to sponsor our weekly school newsletter! For £30 per 'big' term, or £75 for the whole school year, you can buy space on this page of the newsletter to advertise your business. The newsletter is posted online weekly and shared with the parents of all of our children direct to their mobile phones. Your advert can have live hyperlinks to your email, website, social media pages or even phone links, so readers can jump straight to your pages from the newsletter. The advert page will be divided into 8 sections, one advert per section. So don't delay email info@ridgeway.derbyshire.sch.uk and secure this opportunity for your business today!
